In the Land of the Wadawurrung People

Dear families,

Welcome to our last newsletter for the 2024 school year. Over the past four terms we have worked hard to educate and build a community at Saint Francis Xavier school, and we are certainly feeling very proud of our efforts. We hope that you are too!

On your behalf, I would like to say a big thank you to our staff who work so hard to meet the needs of all children. Their dedication to teaching and supporting all students is evident in their daily interactions across our school. So, to our office staff, support staff, maintenance crew, and teachers, we say Thank you!

I would also like to thank our parents for your ongoing support. Your desire to see your children learning and growing in a supportive Catholic community is what we work together to achieve. So, to you we say Thank you!

Lastly, to our students. You are the reason why our school exists. For you we come to school each day and with you we build our learning community. You have worked hard this year, and you have earned your holidays. Thank you!

I wish all members of our school community a very happy Christmas. May the blessings of the infant Jesus be with you at this special time. May your time together be blessed and may your summer holidays be full of fun and adventure.

Happy Christmas!

Mark Hogbin

Bushfire at Risk Register

Hello Families,

As you would be aware, St Francis Xavier Primary School is on the BARR (Bushfire at Risk Register).

Schools listed on the Bushfire At-Risk Register (BARR) will be closed when a Catastrophic fire danger rating day is determined in their Bureau of Meteorology district. Our school has been identified as being one of those at high bushfire risk and is listed on the BARR.

Recently we were directed to send you information regarding the school closing on days that were determined as an Extreme fire danger rating day. Please note that this is not the case, our school will remain open on days of Extreme FDR. There may be times when additional circumstances might require our school to make a decision regarding community safety and school operations.

Thank you for your understanding and apologies for any confusion this communication may have caused.

Kind regards,

Mark Hogbin
Principal

THIS WEEK'S GOSPEL- Sunday December 15th, 2024 Third Sunday of Advent (Year C)

Gospel: Luke 3:10-18

The people asked [John the Baptist], "What are we to do, then?"

He answered, "Whoever has two shirts must give one to the man who has none, and whoever has food must share it."

Some tax collectors came to be baptized, and they asked him, "Teacher, what are we to do?"

"Don't collect more than is legal," he told them.

Some soldiers also asked him, "What about us? What are we to do?"

He said to them, "Don't take money from anyone by force or accuse anyone falsely. Be content with your pay."

People's hopes began to rise, and they began to wonder whether John perhaps might be the Messiah. So John said to all of them, "I baptize you with water, but someone is coming who is much greater than I am. I am not good enough even to untie his sandals. He will baptize you with the Holy Spirit and fire. He has his winnowing shovel with him, to thresh out all the grain and gather the wheat into his barn; but he will burn the chaff in a fire that never goes out."

In many different ways John preached the Good News to the people and urged them to change their ways.

(Gospel passage taken from Good News Translation)

Gospel reflection: The people ask John the Baptist what they should be doing to prepare for the coming of Christ. John says that everyone needs to share what they have. We all need food, water, and somewhere safe to live. Some of us in this country and in countries around the world struggle to get enough food, to get clean water to drink, to go to school, to get medicine or to have a safe place to live.

We also all need people to share our worries with, and who are willing to share their time with us to help us. We all need people who love us and care for us.

Are you always good at sharing?

Our Challenge: What could you do this week to share and spread some joy in our world? How could you share joy with someone who is lonely, poor or who needs some help (either locally or around the world?)

ANNIVERSARIES – A TIME TO REMEMBER, REVITALISE, HOPE

Throughout 2024 the Diocese of Ballarat has acknowledged its 150th anniversary and recognised the strengths and weaknesses of our history. We celebrate the achievements, and we ask pardon for our failure to live our Christian life to the full. We remember those who have gone before us, who laid the foundations of our parishes and school communities, our social services and health care.

This weekend the Parish of St Alipius Ballarat East and Buninyong gathers at a time of significant anniversaries, 170 years since the Eureka rebellion that involved many of the pioneer Catholics, the 150th anniversary of the blessing and opening of the current St Alipius Church. Bishop Michael O'Connor, in his very first public occasion as the Bishop of the newly formed Diocese of Ballarat, blessed and opened the Church. 2024 is also the 10th anniversary of the blessing and opening of Ss Peter and Paul Church Buninyong. We welcome Bishop Paul Bird CSsR, the 8th Bishop of Ballarat to our Parish to lead us at the 6.00pm Vigil Mass at Ballarat East. During his time as Bishop of Ballarat, the Buninyong Church remains the only Church that Bishop Paul has blessed and opened.

We welcome all who have gathered to acknowledge these significant anniversaries including those who are visiting us, former priests including Fr Adrian McInerney, and most of all the parishioners of the Parish of Ballarat East and Buninyong.

Thank you to those who have gathered to prepare our parish for the events associated with these anniversaries that have included the 6pm Vigil Mass on October 19th at which the impact of child sexual abuse was formally acknowledged as we stood outside in Victoria St looking into St Alipius. The Year 6 students from St Alipius, St Francis Xavier and Emmaus, together with some from Damascus College gathered for Mass on Wednesday December 4th in acknowledgement of our parish heritage.

Thank you to those who have prepared displays, arranged the picnic event and the anniversary Mass. May these anniversaries be a time to remember, revitalise and hope.

MORE FROM THE DIOCESAN ASSEMBLY

This week both Chairs of the respective Parish Leadership Teams, Damian Ryan (Bungaree) and Sue Daly (Gordon), offer their reflections on the Assembly.

Sue Daly (Springbank, Gordon Parish), Delegate

In the lead up to the Assembly my preparation included participation in a formation session convened at Our Lady Help of Christians in Wendouree, and attendance at 2 zoom meetings with the table group that I had been assigned to. Key reflections from my involvement with the Assembly include:

Change is upon us – in considering our future we have a choice:

- to be passive recipients of traditional patriarchal decision-making processes of the church OR
- we can respond to the invitation from Bishop Paul to engage, contribute and establish a culture change characterised by co-responsibility, participative governance and a shared sense of 'servant leadership'.

A practical outcome discussed at the table I participated in was the formation of a Diocesan Council of Lay Leadership, established as an integral component of the Diocesan leadership and governance ecosystem. This Council could provide:

- a support network for lay leaders from each of the parishes across the Diocese
- an opportunity to learn from one-another as we individually tackle the challenges of the future
- an integrated and collaborative approach to addressing emerging challenges
- a space for formation sessions in lay leadership
- sharing of resources between parishes and ministry districts
- a focal point for sharing of key personnel across parishes and ministry districts
- input to role expectations of priests with a focus on their spiritual and sacramental priorities, while contributing to a shift away from administrative functions

What would success look like? To my mind - if we make solid progress in transforming leadership and governance in our Diocese over the next 5 years we could establish a reputation across Australia as a flourishing space for faith development and spiritual growth.

Damian Ryan (Bungaree Parish), Delegate

Bishop Paul convened the Diocesan Assembly where representatives of Clergy, Catholic organisations and Parishes gathered to contemplate leadership and governance and the future direction of Catholicism in our Diocese.

Delegates, in clusters of around 8 people, were challenged to listen intently to each other and to be aware that the Holy Spirit is working amongst us – sometimes as the gentle and peaceful dove and at other times as the bustling wild goose. Change is not always smooth – at times it is challenging and confronting but with a confidence that Catholicism will continue to flourish albeit differently. Future practices and direction are to be determined in the spirit of synodality – that is, journeying together as the People of God – it is a way of listening to each individual to understand how God might be speaking to us.

END OF YEAR SCHOOL MASSES

St Alipius School Ballarat East will celebrate their end of school year Mass on Tuesday December 17th at 1.00pm in St Alipius Church.

Emmaus, Mt Clear will celebrate their end of school year Mass on Thursday December 19th at 11.30am in St Alipius Church as well as staff Mass celebrated on Friday December 20th at Ss Peter and Paul Church Buninyong at 2.00pm.

HAPPY HOLIDAYS

This coming week brings another school year to an end. We congratulate all students and staff for their contributions throughout 2024 and wish them a safe and restful holiday.

A special congratulations to all who have completed their VCE this year. We hope that your hard work has been well rewarded and pray that your futures see your dreams fulfilled.

MAKING A SCENE AT CHRISTMAS

Have you found the time to visit the Bridge Mall to view 'Making a Scene at Christmas'? If not, you have one week left to discover the nativity through the eyes of people across the world. Take a moment or two to call in and chat to Fiona about this amazing collection of Nativity Scenes and the engaging stories behind them. You won't be sorry you did! Entry by gold coin donation.

CHRISTMAS GIVINGg

This year we hope to provide gifts to Mercy Place residents at Christmas time. If you are in a position to do so, please take a tag from the tree at the back of the church near the Vinnies stall. Blue tags (male) and pink tags (female). For all other colors please buy a generic gift as the staff are unsure of numbers from week to week. If you could bring your gift back with the tag on it by next weekend, it would be greatly appreciated.

A Reflective Time of Expectation and Hope

Reflection on the Gospel by Veronica Lawson RSM
3rd Sunday of Advent (Luke 3:10-18)

The third Sunday of Advent used to be called Gaudete (be joyful) Sunday. It provided a mid-term break within a period of austerity or penance in preparation for Christmas. Advent is no longer a penitential period, but rather a reflective time of expectation and hope. The invitation to rejoice nonetheless remains part of the Advent liturgy. This invitation is explicit in the first two readings and implicit in the gospel.

There are ethical demands in the time of waiting. Three times John the Baptist is asked, "What must we do?" In line with Luke's emphasis on the universality of God's saving power, the responses are directed to "all the people". Those with even minimal food (something to eat) and clothing (two tunics) are told to share. Tax agents, caught up in a system notoriously open to abuse, are to be honest. Soldiers are given three directives that provide some insight into the negative way the military was perceived: no extortion, no blackmail, and no complaints about wages. The third directive probably derives from the fact that soldiers were better off financially than most others. It is in no sense a prohibition on demands for just wages. In Luke's depiction of John, there is no critique of the harsh Roman taxation system or of the presence of the Roman army. Here as elsewhere, Luke seems to be seeking acceptance for the Christ movement within the Roman Empire by

demonstrating that it is no threat to the occupation and its values.

Luke's John situates himself in relation to Jesus, the anointed agent of God's liberation. John describes the one to come in much more fiery terms than the Lukan Jesus turns out to be. His description is more like a self-portrait, especially in light of the fact that John addresses the crowds who flock to him as a "brood of vipers" or "children of snakes" (Luke 3:7). In contrast with John's water-baptism "for the forgiveness of sins", Jesus will "baptise" with the Holy Spirit and fire. Fire, as we well know in this dry land of ours, is a challenging symbol, both friend and foe. In the first-century *Manual of Discipline* from the Qumran community by the Dead Sea, water, refining by fire, and "a holy Spirit" are listed together as the instruments of God's saving and purifying action.

John, who may have been a member of the Qumran community, presents his own role as preparatory to that of Jesus, the Spirit-filled, powerful and enduring agent of God's refining and purifying work in the world. We know our own ongoing need for a "baptism" with the Holy Spirit and fire. We prepare the way by doing what we must: sharing our goods, treating others with dignity, justice and forgiveness as well as responding to the cry of the earth. The question "What then must we do?" is one that we might ask ourselves each day in the face of a changing world order.
